

Dance Performance Ensemble

In conjunction with the existing co-curricular recreational dance classes at Mercy College, *InSync Moves* will be offering *performance based* dance classes that aim to provide dance opportunities to all students in an encouraging, supportive and challenging environment. Classes cater to all levels of ability with a focus on developing a student's confidence, teamwork skills, coordination, musicality, and physical fitness. A team of highly experienced and qualified teachers deliver classes in a variety of styles. The program is committed to developing a solid foundation of dance technique, while providing an exciting class experience with fresh, up to date choreography. Throughout the year students will have the option to participate in performances, additional workshops with high profile guest teachers & attend excursions to see professional productions.

PERFORMANCE GROUPS

Students with a passion for dance have the exciting opportunity to join the Dance Performance Ensemble & gain performance experience at competitions, festivals and various school events throughout the year. Students attend a 75-min weekly dance lesson to learn & develop a group performance piece. Participation in the program requires a full year commitment & entry is by audition only. Open to students in all years.
