Creative Arts Showcase
Friday November 2

Dear Parents and Carers,

It is with both sadness and joy that we farewelled our graduating Year 12 students this week. Sadness as they will be missed by their teachers and fellow students and yet joy for them that they are moving on to the next stage in their lives.

Throughout their six years at Mercy Year 12 were fine examples to our community demonstrating respect, compassion, loyalty and creativity in all they did. They supported each other, forming strong friendships that will last into the future and they have left the College with a great legacy.

We all wish them the best for the HSC exams commencing in Term 4, but more importantly we wish them happy and fulfilled lives.

SUSTAINABLE SCHOOL SHOP:

As we move into Term 4 parents may be starting to think of future requirements for their daughter's uniform and textbooks for 2019.

For those looking for second-hand textbooks or uniforms I direct you to the website that the school subscribes to:
Sustainable School Shop
www.sustainableschoolshop.com.au.

This site is similar to eBay where you can place items for sale or browse to find what you want to purchase. Please be mindful when browsing that you look closely at the College's uniform requirements and the booklists that are published by the College.

PLENARY COUNCIL:

Many of you may be aware that the Catholic Church is holding a Plenary Council in 2020 to understand the Church's mission for the future in Australia. This will be a three year process, commencing with a Year of Listening in 2018, of Discerning in 2019, and Proposing in 2020.

At the next P&F meeting the College will hold a session of listening. This is your opportunity to shape the future direction of the Catholic Church. We often sit back and complain when we see things are not right, well you now have the opportunity to have your say about what improvements the Church can make to engage with more people.

It would be wonderful to have many of you here on the 24 October. See further details under the Director of Mission's page.

Message from the Principal

NEW STAFF MEMBER TERM 4

I warmly welcome Miss Charisse Gange who begins with us in Term 4 as our new Youth Minister. Miss Gange comes to us after working at St Marks Catholic College in Stanhope and with a wealth of experience working with youth for CFC Family Ministries.

MERCY STUDENTS NOMINATED FOR OnSTAGE:

Each year when HSC Drama students have their Drama pieces examined by external markers, the markers chose those they consider the best to be selected to be performed at the Seymour Centre in the NESA's OnSTAGE exhibition.

I congratulate two of our Year 12 students and their teacher (Mrs Kate Caron) for being nominated for this prestigious event.

Lucy Hall for her piece titled *Mother* and Cassie Parker for *Silence*.

HOLIDAYS:

As usual your daughters have had a busy and productive term. They were extended in their learning in the classroom, excited by excursions and challenged by assessments and tests.

I hope that all our students have a restful and safe holiday and hopefully there is some extra family time.

Term 4 Commences on Monday 15 October.

Best wishes

SUMMER UNIFORM

Term Four is fast approaching when students will be in their summer uniform. Now is the time to check the uniform as many of the girls have become taller since Term One.

The summer uniform is available from Lowes in Chatswood. Please ensure your daughter's uniform is in good repair and the length of the summer uniform is to be on the middle of the knee. White ankle socks are to be worn with the uniform.

Thank you for your ongoing support.

Year 7 Dance Performance at OLD Feast Day Celebrations

Year 7 students performed at the Our Lady of Dolours Feast Day Celebrations on Sunday 16 September. They performed a modern dance to the music of the song Rise Up by Andra Day. It was a wonderful celebration and we were so pleased to be invited to perform for the local parish community. I would like to thank Mary-Ann H., College Captain, Caitlin H., Year 7 Prefect and Year 11 Leaders Hannah N, Angela P and Gabby P for choreographing the performance.

The Plenary Council 2020 – To shape the future of the Catholic Church in Australia

The Plenary Council 2020 is a national gathering of the Catholic Church in Australia. It is the highest formal gathering of all local churches in a country. Our Plenary Council 2020 is being held so that we can dialogue about the future of the Catholic Church in Australia.

Plenary Council Listening & Dialogue Sessions:

The opportunity to engage in the 2020 Plenary is a historical moment of real significance for the Australian church, perhaps a once in a life time event, where all are invited to participate in ecclesial reform to help shape the future church. The Plenary Council is hoping to generate genuine consultation through engaging with the whole Church community through Listening and Dialogue Sessions which centre on answering the question: "What is God asking of us in Australia at this time?"

How are we getting involved at Mercy Catholic College?

Here at Mercy College I have been asked to engage our whole school community including staff, students and parents in the process of Listening and Dialogue.

Message from the Director of Mission & Religious Education

Year 12 Graduation Mass

The Year 12 Graduation Mass was the final Eucharistic celebration for Year 12 with the school community.

During the service we heard beautiful reflections by Year 12 students on their memories from Year 7 to 12 which they will hold dearly in their hearts.

We concluded the Mass with the tradition of Year 12 forming a 'Circle of Mercy' around the church before processing out as Year 12 2018 for the final time.

I would like to thank our Parish Priest Father Jim for celebrating this beautiful Mass with us.

ENJOY THE BREAK

Holidays is a wonderful time for families to be together. Enjoy the time with your daughter. Every moment is special. Take her out to a café, have walks with her and get her outside. Your daughter will be tired from the term, do not worry about her sleeping in, it is normal. She will want to watch Netflix and youtube which is normal, so ensure she does this in the family room so you can monitor what she sees, also make sure she gets outside and experiences fresh air.

To Year 12 parents this is a time of mixed emotions for you and your daughter. Though it may be an ending, it is also a new beginning that is exciting. Always remember you will never stop being a parent and your daughter will always need your help and support. During the holidays be there to listen to your daughter as she talks about her studies.

As I said at the beginning of the year provide the food, be there for her when she has those moments and keep building up her confidence, remembering the HSC is a moment in her life that does not define her. Your daughter can achieve, if she puts in the effort however, do not push her if she does not do the work that is for her to figure out and come to terms with.

As I often say, pick your battles. We want our Mercy girls to strive for better things, for most girls this will be seen when they leave school and get into a career where they feel passionate about and a desire to succeed.

Year 12 has joyfully led the school in Friday Fun dance and school events and have also been wonderful role models on the sporting field. The Year 12 netball team really typified what sport should be about, they did not play to win, though winning was always a bonus, they played to enjoy every moment, have fun with friends, get out in the sunshine and be active, they had played together since Year 7.

We will remember our Year 12 Mercy girl to be...

To all the Mercy families have a wonderful holiday, and we look forward to seeing your daughter's smiling face next term.

Please see below a note sent to Ms Kavanagh following the Mercy Outreach Day to St Canice's Soup Kitchen.

Dear Ms Kavanagh,

I would like to let you know how impressed I was with the four Year 12 girls who came to help out at St Canice last Friday. I am one of the volunteers there.

All the girls were friendly, helpful, polite and enthusiastic. Their accompanying teacher, Tracey was also fabulous.

Kind regards,

YEAR 12 NEWS—OUR LAST TERM !

Year 12 have experienced a roller coaster of a term and through each event they have risen to the occasion and truly demonstrated the skills and abilities they have acquired during their years at Mercy College.

They conducted themselves calmly and with sound organisation during their exam block; their activities in Mercy Week raised a whopping \$3260 towards the next Vietnam Outreach Expedition and Mercy Works; their Gong Song again demonstrated their organisation skills as well as their creativity and originality; they participated in the Staff vs Students Netball Game with an appropriate and expected level of competition, and I have been immensely proud of the way they have conducted themselves through our various farewells and their Graduation ceremonies this week.

It has been an absolute privilege to have accompanied them over the last three years and to see all of their diligent efforts come to fruition. At this stepping stone point in their lives I have every confidence they will move onto the next part of their journey with great success!

MCC Sports Awards 2018

On Monday our Annual MCC Sports Awards were held to recognise and celebrate the achievements of all of our students who participate in Co-curricular Sport at Mercy. We had a very successful year across all sports culminating in 4 Grand Final Wins in Netball and great results across our Basketball and Cricket competitions. No Finals for Soccer this year but as in all Sports the girls represented themselves with distinction and were often given positive and congratulatory feedback from our competitors.

To all our coaches, managers, supervisors, scorers, canteen helpers, convenors, chauffers, photographers, chief cooks and bottle washers.....whatever your role, MCC is extremely grateful to have such wonderful volunteers to ensure many types of co-curricular sports are able to be offered to your daughters. We look forward to thanking you all at our Annual Volunteers Cocktail Party in November. **Please see the link below for the 2018 Sports reports.** MCC Sports Awards This is also available on the Mercy College Website.

YEAR 12 GRADUATION AFTERNOON TEA

Although the weather was not as good as I had hoped, it certainly did not dampen the spirits of our beautiful Year 12s and their families. Everyone enjoyed their short break for refreshments before Mass and the girls relished cutting into the beautiful celebratory Year 12 cake! There were congratulations all round, photos taken, refreshments had and everyone had a lovely time.

It certainly was an exciting day for the girls and the end of a chapter. As they go on to write the HSC exams the P&F would like to wish them the very best of luck, for their exams and all their future endeavours!

We continue Walking the Way

Despite every obstacle imaginable, the Jewish people have managed to maintain their traditions over millennia, with a remarkable capacity to adapt and innovate while drawing on the ancient wisdom of their ancestral faith.

The role of family, home, and scripture is central to this dynamic.

What can we, as Catholic parents, learn from Jewish families in our own efforts to pass on to our children the deep insights of our life experience, our faith, our ancestry, our scriptures?

This retreat day allows for gentle reflection and space to get in touch with 'who' and 'what' is most dear to our hearts, to rediscover the deep wisdom of our faith tradition as we walk with our children in faith, hope and love.

A special day to draw close to those we love and miss

2 Nov is All Souls Day, a special day when Catholics remember and pray for their deceased loved ones. Our Mass will be an opportunity to do that. You may like to bring with you a small symbol that reminds you of a loved one (a flower, a photo, a memento) to have with you during the day's reflections and/or to place at the sacred space.

To Parents and Caregivers in the Diocese of Broken Bay

Friday 14 September 2018
Feast of the Exaltation of the Cross

Dear friends,

It is my great privilege to share news about the implementation of our new Diocesan Office for Safeguarding.

In 2017 Bishop Peter commissioned a Review of Safeguarding across the Catholic Diocese of Broken Bay by Mr Kelvin Simon, formally a Senior Investigation Officer for the NSW Ombudsman. The Simon Report furnished Bishop Peter with 20 Recommendations – all of which he accepted and sought to implement in a way that the Diocese could incorporate.

On 29 June Bishop Peter provided his formal promulgation of a new Diocesan Office for Safeguarding. In the period since Bishop Peter's departure from us, we have faithfully implemented his directions, and I share with this letter, the Charter for the new Diocesan Office that details its structure and organization. Bishop Peter's commitment to Safeguarding will be one of his enduring legacies to our Diocese.

It is with pleasure that I announce the appointment of the Director for the Diocesan Office for Safeguarding, Mrs Jodie Crisafulli, and two of three Managers for Safeguarding - each with responsibility for Safeguarding in the different sectors of our Diocesan life: Ms Tamara Hughes, Manager for Safeguarding (CSO), and Ms Melinda Rixon, Manager for Safeguarding (CatholicCare). We look forward to the appointment of a new Manager for Safeguarding (Chancery) who will have responsibility for parishes and clergy.

Our new Diocesan Director for Safeguarding, supported by our new Safeguarding Executive of the three Safeguarding Managers, will be informed by the appointment of a Safeguarding Strategic Advisory Panel which will bring national and international policy and best practice advice to our endeavour. They will also be accountable to a Safeguarding Review Panel which will provide independent evaluation of the redress we seek to provide those who have suffered abuse.

Please be assured of my prayer for God's blessings for each of you,

Very Rev Dr David Ranson
Diocesan Administrator

Night work on Victoria Avenue, Help Street, Railway Street and Brown Street, Chatswood

The NSW Government is delivering the Sydney Metro project, Australia's biggest public transport project.

Services start in the first half of next year on Stage 1 of Sydney Metro, the \$8.3 billion Sydney Metro Northwest project.

From Sunday 30 September 2018, the rail line between Epping and Chatswood will be closed to allow for major upgrades, including testing and installation of new signalling, electrical, fire and life safety systems. During this time, there will be seven Station Link bus routes that will replace train services for around seven months.

Ahead of Station Link services starting on 30 September, Transport for NSW (TfNSW) will be upgrading street furniture, removing trees, installing signs and tactiles, adjusting pedestrian ramps and relocating the taxi zone to Brown Street for the duration of Station Link.

What do I need to know?

- **Phase one:**
 - From **Sunday 2 September** work will take place between **7pm and 5am** for up to five nights per week, over a two week period.
 - There will be some noisy activities such as concrete excavation, ground compaction and the use of trucks with reversing alarms. Wherever possible, we will carry out the noisier tasks before midnight.
 - Four trees on Victoria Avenue will be removed to allow for the operation of Station Link buses. Four new trees will be planted after Station Link is complete in consultation with Willoughby City Council.
 - Traffic and pedestrian management will be implemented during work hours to protect workers and the public. Please follow signs and traffic controller's directions.
 - Taxis will continue to operate from the existing taxi zone on Victoria Avenue until late September, although parts of the taxi rank will be closed during night works.
- **Phase two:**
 - From **mid-September**, work will be undertaken to install traffic signs on Victoria Avenue, Railway Street, Help Street and Brown Street and will include relocation of the taxi zone to Brown Street on Saturday 29 September.
 - The work is expected to take place during two day shifts between **7am and 4pm** and two night shifts between **7pm and 5am** and have minimal impact.

The areas where work will be carried out are marked on the map located on the reverse of this letter.
