

# Netball

What a season!

An extraordinarily huge amount of work went into preparing our 28 MCC Netball teams for 2020, from our graders, who volunteered their time to watch, assess, review, select and debate on team formations, to our Junior umpires who came along and umpired the grading games before and after School and to our inaugural Netball Captain, Serena Banbekian and Netball Umpire Captain, Kaitlyn Pace together with our volunteer Umpire Convenor Mrs Alison Bird who tirelessly assisted in every aspect of pre-Season preparation from grading to uniform fittings, sorting and packing team kits, putting together ID Cards, washing bibs, blowing up balls, rostering umpires and the list goes on. Once teams were formed we then relied on our generous volunteers from within the Mercy Community to offer their talents to coach or manage the teams. Thank you to the amazing Parents, Senior Students, ex students and staff who made sure every team was well prepared for the 2020 season.

Then everything changed! Would there even be a season? How would things run?

Yes there was a season and yes we got there! As seems to be the norm for 2020 we all adapted! Sanitizer, attendance apps, no spectators, drop offs and pick ups in under 10 minutes, watching games from car parks, no sausage sizzles, no canteen, to marshalling entry and exits on Duty Day and somehow we all got there! We all adapted to a very different and challenging season of Netball ensuring that all the rules, protocols and guidelines were adhered to allowing the girls to compete in a Covid Safe environment. MCC facilitate Netball for our students but like any community sporting association rely heavily on our Parent/Community volunteers who make it accessible to all. Thank you!

MCC were lucky to have nine teams competing in a 1V2 grand final on the last round. 13H, 13G, 14H, 14G, 14E, 15B, C2, C3, B4 all competed with five teams taking out the Win. Congratulations to 14G, 14H, C2, C3 and B4. Despite the shortened season three of our Umpires were presented with their National C Badges. Well done Emma L, Summer B and Meeghan P.

Special mention to the Cadets 3 team who made a generous donation to one of the charities supported by Mercy College in lieu of team gifts this year. Below we recognise all our Players, Coaches and Managers from Season 2020.
