

Competitive Performance Ensemble

In conjunction with the existing co-curricular recreational dance classes at Mercy College, *InSync Moves* offers *performance-based* dance classes to provide dance opportunities to all students in an encouraging, supportive and inspiring environment. Classes cater to all levels of ability with a focus on developing a student's confidence, teamwork skills, performance skills, musicality and physical fitness. A team of highly experienced and qualified teachers deliver classes in a variety of styles. The program is committed to developing a solid foundation of dance technique, while providing an exciting class experience with dynamic and challenging choreography. Throughout the year students will have the option to participate in additional workshops with high profile guest teachers & attend excursions to see professional productions.

PERFORMANCE GROUPS

Students with a passion for dance have the exciting opportunity to join the Dance Performance Ensemble & gain performance experience at competitions, school events and filming projects throughout the year. Students attend a 75-min weekly dance lesson to learn & develop a group performance piece. Additional digital learning materials are provided via an online streaming library.

Participation in the program requires a **full year commitment** & entry is by audition only (early term 1). Audition pack will be made available in week 1 of term 1. Open to students in all years.

Proposed class times for 2021:

Tuesday	Contemporary	2:45pm – 4pm (Day #2) / 3:30pm – 4:45pm (Day #7)
