Lessons Fees:

Lessons are offered 1 x 30 minute lesson per week - the cost is \$45. Accounts for private music lessons will be issued by the tutor by Week 4 of each term.

Fees must be paid within 4 weeks of receiving the account. If fees have not been paid by the end of the term, students will not be allowed to continue lessons the following term. Lessons can be recommenced once the amount owed for the previous term has been paid.

The music tutor will sometimes order music books, etc. for the students. These costs are to be met by the parents and paid directly to the music tutor. Any students entering for practical examinations pay an entrance fee directly to the tutor who will organise details with the various Examinations Boards.

Please Note:

In the event of withdrawal before the examination, fees are not refundable from the Examination Boards. Music tuition fees are non-refundable.

Lesson Structure:

Lesson times are outlined to students at the commencement of term from the tutor. Tutors will email or message parents of the weekly lesson times. Weekly timetables of student lessons are also posted on the music notice board. It is the responsibility of students to check these times each week. Where possible seniors will be given lesson times outside of class time. For all other students, the tutor will rotate lesson times each week throughout the term so that students do not consistently miss the same classes. It is the responsibility of the student to catch up on any missed class work. All students must take their school diaries to every music lesson so that the tutor can sign the date and time of every lesson.

Missed Lessons

Students are required to give their music tutor ample notice (minimum of 48 hours) should they need to **reschedule a lesson – this includes school events e.g. excursions, exams, sports carnivals etc.** Students are responsible for informing their individual instrumental tutor. If the appropriate notice is received the lesson will be re-scheduled.

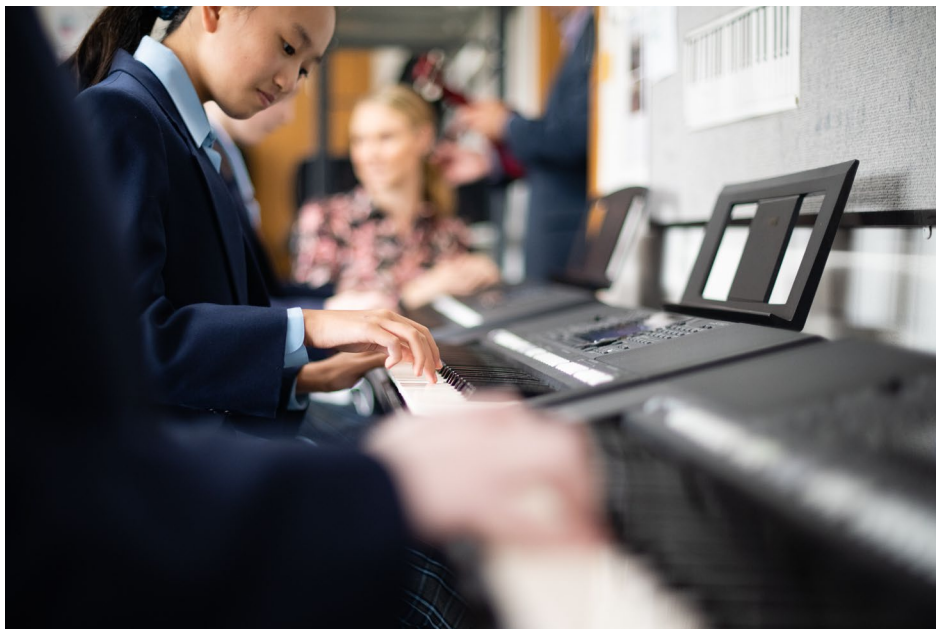

In the event of illness, parents are required to give the tutor as much notice as possible. If a student is absent from a lesson due to illness they will be expected to contact the tutor directly no later than 7.00am on the day of the lesson.

If a student leaves her instrument at home on the day of her lesson she must still attend the lesson. No student is to borrow another students' instrument.

Where a lesson is **missed with no explanation, the lesson will not be made up and the lesson fee will be charged.** Music tutors will contact parents informing them when lessons have been missed with no explanation.

Withdrawal from Program

If a student decides to withdraw from lessons, 4 weeks' notice must be given in writing to the tutor and to Mr Matthew Robertson (Co-curricular co-ordinator). Failure to do so will result in 4 weeks fees being payable.
