We recognise and thank all our umpires who have officiated throughout the year.

Congratulations to those Umpires who received either their Junior or Senior Level or their National Umpire Badge.

MCC Umpire of the Year

Stella Vallone

Stella joined MCC Netball in 2024 and is also a member of the NSNA 12 Year development team. She is an active and committed team member of both her club and rep teams. This year Stella undertook her umpiring for MCC with a keen and committed drive to learn and improve her skills and was soon noticed by NSNA officials. She has worked extremely hard to improve her knowledge and understanding of the rules culminating in moving through her junior levels swiftly this year and looking to achieve her National C Badge not too far in the future. As well as working hard to achieve her own umpiring Honours, Stella has also undertaken to help on Friday afternoons with our very new umpires. After playing two games on Saturday morning, Stella makes herself available to umpire in any remaining timeslots throughout the day. Her understanding of the game sees her participate in all aspects of the sport in a mature and professional manner. Stella is an asset to MCC Netball and a worthy recipient of Umpire of the Year.

MCC Netballer of the Year

Anna Ramsay

Anna was awarded the Netball Captain this year and has shown outstanding leadership bringing dedication and commitment to her participation in MCC Netball. This year Anna took on the Coaching role for the Year 10 Inters 5 team and together with Ashley Kane steered them to a finals berth where they were narrowly beaten. Additionally, she took on a year 7 team with Hannah Watson teaching them the fundamentals of the game, building their skills and confidence on the court.

As a Player she was part of the combined Year 11/12 Inters 3 team where she always showed a sense of fair play and sportsmanship. Anna's position as one of our Senior Umpires, saw her take on the role of Mentor this year guiding and instructing our newest umpires. She was at the courts all day helping where needed in a composed and capable manner always showing a willingness to support others. Assisting the NSNA as an MCC Volunteer in the final series the executive asked that Anna be rostered with them weekly as she undertook stressful jobs maintaining a calm demeanour using her initiative, demonstrating great capability. Congratulations Anna.
